COHORT PROGRAM

Fostering Inclusive Experiences in Education and After-School Programs

As a coach or facilitator in the education space, you play a critical role in shaping the perception and embodiment of allyship in our next generation. Our Coaches & Facilitators as Allies Cohort Program is designed to empower you with the knowledge, skills, and network necessary to create a truly inclusive environment, tackling systemic inequities, and promoting diversity, equity, and inclusion.

Mirroring the proven structure of our other cohort programs, this initiative offers a series of interactive learning sessions, complete with accountability measures and action items to help you grow as a DEI advocate. Participants who successfully complete the program receive a certificate of completion, joining a growing community of allies dedicated to fostering lasting change in the next generation of Little Allies.
